

MEMPHIS FELLOWS

Welcome to the 2021-22 Class of Fellows!

The Fellows Program is an intensely practical nine-month spiritual and vocational leadership program that prepares the Fellows to live a seamless life of faith. The program includes a part-time job in a field of interest, biblical coursework, Bible study, mentoring, and service.

All of this takes place in community within the context of the local church. This is our 17th class of Fellows at Second Presbyterian Church!

Anna Carpenter graduated from Rhodes College with a degree in Psychology. She is originally from Franklin, TN but loves Memphis and is excited to continue investing in the city during the upcoming year. In her free time, Anna enjoys

hanging out with friends, reading, and visiting coffee shops. A fun fact about Anna is that she's a triplet! She will be working at the Binghamton Development Corporation, mentored by Patience Whitten, and living with host family David and Lee Bowen.

Connor Curtis is from Birmingham, AL and recently graduated from Auburn University, where he majored in Industrial Engineering and minored in Psychology. Looking forward to the upcoming year, Connor is excited to live

in community with God's people, see firsthand the integration of faith and vocational work, and grow in his love for and knowledge of the Lord. Connor loves racquetball, board games, reading, watching movies, and eating barbecue. He will be working at BPI Packaging, mentored by Jay Cofield, and living with host family Seth, Julia, Adam, Merritt, and Lawson Harkins.

Kenny Gentry is from Winston Salem, NC and recently graduated from the University of North Carolina at Chapel Hill, where he majored in Chemistry and minored in Biology. In his free time, Kenny enjoys spending time with friends, doing

most outdoor activities, and playing sports, board games, and Super Smash Brothers Ultimate. He is excited to be a part of 2PC and eat true Memphis barbeque. He hopes to learn how to serve the city and people of Memphis well, while growing deeper in his faith. He will be working at Campbell Clinic, mentored by Dan Fore, and living with host family Rogelio, Marissa, and Isaiah Duarte.

Daija McNeil is a native Memphian who attended Memphis Central High and recently graduated from the University of Memphis with a degree in Choral Music Education. During college, Daija was involved with Campus Outreach

and spent a summer serving in Zambia on a Campus Outreach Cross Cultural Project. Daija loves singing, dancing, and spending time with friends, and her claim-to-fame is appearing in Pentatonix's music video for "Oh Come All Ye Faithful" (fast forward to 2:38, if you're interested!). She will be working at Le Bonheur Children's Hospital, mentored by Allie Eick, and living with host family Kyle, Morgan, Savvy, and Marlo Monteverde.

Cameron Perry is from Maryville, TN and graduated from the University of Tennessee with a degree in Microbiology. He has worked as an EMT for his county's ambulance service for the past two years and hopes to pursue a career in

medicine. Cameron enjoys playing golf, reading, and cheering on the Vols. He is looking forward to making Memphis home for the next year and joining the 2PC community. Cameron will be working at OrthoSouth, mentored by David Stewart, and living with Frank and Sandy Eggers.

James Ryan is from Marissa, IL outside of St. Louis. He received his undergraduate degree in Music Performance with minors in Worship and Biblical Studies from Cedarville University and his master's degree in Music Performance from the University of Memphis.

When not performing or teaching music, James loves talking about history, playing board games, and being outdoors (especially hiking, fishing, and camping). James will be working in the Second Presbyterian Church Music Department, mentored by Rob Liddon, and living with Bobby and Dawn Shute.

Carter Snodgrass hails from the rolling hills of Missouri. In college, he studied Philosophy at the University of Missouri - St. Louis, where he led Campus Crusade for Christ. When he is not studying an obscure philosopher, you can find Carter

listening to Schumann, exploring local coffee shops, or spending time with his fiancée, Lindsey. Carter is looking forward to calling Memphis and 2PC his new home! He will be working at The Center-Memphis, mentored by Fred Flinn, and living with Lon and Ragan Magness.

Logan Tyree is from Rustburg, VA and graduated from the University of Virginia, where he majored in Youth & Social Innovation and minored in Religious Studies. Logan spent the last year in Montgomery, AL, where he was able to live

out his passion for equity in education by working with the Montgomery Education Foundation. Logan loves spending time with friends, playing golf, exercising, and rooting for his alma-mater. Logan will be working at the Binghampton Development Corporation, mentored by Ethan Knight, and living with Sam, Lacey, Archer, Mary Hudson, and Walt Moody.

Fellows Steering Committee
